F.NO.498/ DJB/DOR/CLARIFICATION REGULARIZATION SCHEME/2025/13985 DATED 26/12/25

INSTRUCTIONAL ORDER

**Subject: - Clarification on Scheme for Regularization of Unauthorized Water and Sewer connections.**

Reference are being received from Zonal Revenue Offices for seeking clarification whether unpaid cases of regularization of unauthorized connections prior to launch of above scheme of regularization, may also be given benefit of current scheme of regularization of un-authorized connection.

Considering the objective of regularization of all unauthorized connections and bringing them into billing net, and prevailing scheme of regularization of unauthorized connections, benefit of present regularization scheme may be given to all cases including previous unpaid bills of regularization of unauthorized connections. However regular billing charges subsequently levied on such connection will remain. Further no case be re-opened where bills of regularization of unauthorized connections are already paid and connections regularized.

Above clarification is issued for necessary action by all concerned.
