D.O. No. 5/01/18/misc/22-25/UTCS/TS-1/929
Dated : 25/03/26

Dear Colleagues,

As you are aware, the Government of India has launched Mission Karmayogi, a landmark reform initiative aimed at transforming the capacity building ecosystem of civil services by fostering a culture of continuous learning, competency-based training and digital learning.

In pursuance of this initiative, Department of Personnel and Training, Capacity Building Commission, and Karmayogi Bharat are organising the National Learning Week - "Sadhna Saptah 2026" from 2nd April to 9th April 2026 through the iGOT Karmayogi Platform. The Government of NCT of Delhi has already taken significant steps towards the implementation of Mission Karmayogi through collaboration with Karmayogi Bharat and the Capacity Building Commission. However, the level of on-boarding and participation of officials on the iGOT platform needs to be substantially enhanced so that officers and officials can benefit from the wide range of competency-based learning resources available on the platform.

In this context, I would also request your personal intervention to encourage officers and officials of your Department, including subordinate offices and field units, to actively participate in the forthcoming National Learning Week - Sadhna Saptah 2026. It may also be ensured that officials are registered on the iGOT platform and are encouraged to undertake relevant learning modules during the week. A drive may also be organised for on-boarding of the officials on the iGOT platform.

I am confident that with your support and leadership, the departments of the Government of NCT of Delhi will actively participate in this national initiative and contribute towards strengthening a culture of continuous learning and professional excellence in public service.

Best wishes

Yours sincerely,

D.O. No T-28/35(I)/2026-IGOT

19th March, 2026

Dear Chief Secretary,

Mission Karmayogi aims to build the capacity of civil servants across Central and States/UT governments through competency-driven learning and continuous professional development. The Department of Personnel and Training in collaboration of the Capacity Building Commission (CBC) and SPV - Karmayogi Bharat, has been advancing several initiatives under Mission Karmayogi to foster a culture of continuous learning within the civil services.

2. Over the past few years, Mission Karmayogi has made significant progress in strengthening the national capacity-building ecosystem. The iGOT Karmayogi platform, which serves as the digital backbone for delivering online learning under the Mission, has onboarded over 1.5 crore learners (out of which more than 1 crore are from the States/UT governments) and these learners have collectively completed close to 8 crore courses (3.7 crore courses completed in States/UTs) on the iGoT platform.

3. To foster a culture of continuous learning, the National Learning Week - *Karmayogi Saptah* was held during October 19-27, 2024. The initiative recorded more than 45 lakh course enrollments and 32 lakh course completions, generating over 38 lakh learning hours, achieving a nine-fold increase in daily course completions during the week.

4. Now, it has been decided to observe "**Mission Karmayogi - SĀDHANA Saptah**" from **2nd to 8th April 2026** across the Union and State Governments. The CBC has already written to you in this regard. A brief note by the CBC including the tentative programme for the SĀDHANA Saptah is enclosed for perusal.

5. The SĀDHANA Saptah is envisaged as a focused period during which employees of the State/UT government engage in learning on the iGoT platform and discuss/deliberate upon subjects related to the themes of learning in the context of governance, institutional capacity building and public service delivery. In particular, the following activities may be considered:-

- State/UT government officials may be encouraged to complete **at least four hours of learning** on the iGOT Karmayogi platform during the week, aligned with their roles and responsibilities. **Capacity building in AI** being a key focus area of the government, employees may, in particular, be encouraged to learn about AI with the help of courses available on iGOT. **An indicative list of courses on AI available on iGOT is being attached for your reference (Annexure I)**. Further, employees may be encouraged to build functional and behavioral competencies by completing **advance-level courses** available free of cost on the **iGOT Marketplace**. An indicative list of courses is attached for reference (Annexure II).

Contd..2/-

- As the last date for completion of Mandatory courses for the APAR Cycle has been extended to 30.04.2026, the officers may be encouraged to **complete their mandatory courses and comprehensive assessment during the SĀDHANA Saptah**, which shall also be counted for the **four hours** of role-aligned learning on the iGOT Karmayogi platform, as described above.
- State/UT Departments may organize **Samuhik Charcha or panel discussions** to deliberate on governance challenges, reform priorities and emerging good practices relevant to the State.
- **Administrative Training Institutes (ATIs)** and other training institutions under the State/UT Governments may be encouraged to organize capacity-building activities, including domain-specific workshops, sessions and blended learning programs aligned with Mission Karmayogi.

6. The **inaugural session on 2nd April 2026** will also mark the launch of several initiatives aimed at further strengthening the national capacity-building ecosystem and reinforcing the spirit of *Seva Bhav*.

7. I am confident that your leadership will ensure active participation across all levels in your State/Union Territory and will help to make the *Saptah* a meaningful step towards institutionalizing structured capacity building for government employees.

Best regards,

Yours sincerely,

Encl: As Above

सप्ताह

2nd April - 8th April 2026

हम बनें कर्मयोगी...

Mission Karmayogi SĀDHANA Saptah - 2 to 8 April 2026

Technology | Tradition | Tangible Outcomes

India's governance landscape is being reshaped by rapid technological change, renewed attention to Indian Knowledge Systems, and an increasing focus on Citizen Centricity. **Sadhna Saptah** is conceived as a theme-focused and sector-anchored exercise (sector classification as per SGOS) to strengthen governance capability across Ministries, Departments, and States. Structure of the week shall be focused on three themes or Sutras¹, **Technology, Tradition & Tangible Outcomes**.

Mission Karmayogi SĀDHANA Saptah

Technology • Tradition • Tangible Outcomes

Proposed structure of the week

2 April: National Orientation

3 & 4 April: Technology (AI & emerging Tech)

5 & 6 April: Tradition (Indian Knowledge Systems and Indigenous Innovations)

7 & 8 April: Tangible Outcomes (Citizen Centricity and Impact)

Each Ministry/Department at the Centre and State level may identify sector-specific subthemes under each pillar, conduct webinars, internal workshops, case reviews, or field visits, and submit a brief Sankalp Note summarizing insights and commitments.

¹ Like the People, Planet & Progress *sutra* approach adopted for India AI Impact Summit 2026

1. Technology

Artificial Intelligence and emerging technologies transforming the sector. Focus areas may include:

- Sector-specific AI use cases
- Regulatory readiness
- Digital public infrastructure integration

2. Tradition

Indian Knowledge Systems and indigenous innovations relevant to the sector. Focus areas may include:

- Civilizational practices with contemporary relevance
- Community-led institutional models
- Indigenous governance insights

3. Tangible Outcomes

Outcome-oriented governance and public value creation. Focus areas may include:

- Citizen impact tracking
- Clear articulation of priority sectoral outcomes for citizens
- Dashboard-based monitoring

Expected Output

By the end of Saptah, each Ministry/Department should articulate:

1. Two priority technology interventions
2. Two sector-relevant indigenous or traditional models
3. Three measurable outcome commitments for FY 2026–27

CBC will compile and synthesize insights into a cross-sectoral compendium. Indicative Theme – Sector Mapping²

Sector	Technology	Tradition	Tangible Outcomes
	3 & 4 April	5 & 6 April	3 & 4 April
Infrastructure	AI planning, GIS monitoring	Traditional water systems	Reduced project delays
Resources	Satellite mapping, climate analytics	Community forest governance	Sustainable extraction metrics

² The sub-themes suggested against sectors are only indicative. Ministries/Departments must identify their own topics aligned with the overall theme for the day and relevant to their sector.

Security & Foreign Affairs	Cyber defence, AI intelligence	Kautilya, Panchsheel	Faster threat response
---------------------------------------	--------------------------------	----------------------	------------------------

Sector	Technology	Tradition	Tangible Outcomes
	3 & 4 April	5 & 6 April	3 & 4 April
Governance	AI grievance systems	Sabha traditions	Service delivery timelines
Finance & Economy	Fraud analytics, digital payments	Indigenous trade systems	Tax compliance growth
Welfare	Beneficiary analytics	Cooperative models	Inclusion & leakage reduction
Commerce & Industry	Supply chain AI	Craft cluster traditions	Export & job growth
Human Development	EdTech & Health AI	Gurukul, Ayurveda	Learning & health outcomes
Agriculture & Rural	Precision farming tech	Traditional seed systems	Farmer income growth
Technology Sector	AI governance frameworks	Mathematical & scientific heritage	Digital inclusion metrics

Tentative Agenda Launch Day (Day1): Venue: Dr. Ambedkar International Centre, New Delhi

Date: 2nd April, 2026

Time: 10.00 AM

S. N.	Programme	Time
1.	Inaugural Function	10.00 AM- 11.00 AM
	Welcome	10.00 - 10.05
